

Don't Just Take Our Word For It! Listen To What GMA Members Have To Say

If you have the right people in the right roles in your organization, there isn't a better time to provide your most valuable assets with professional training and development and a forum to network and market your business. Training and marketing are not an expense, they are an investment in the future of your business. GMA offers many venues to make this kind of an investment in your future.

"I am so happy that The Rhinoceros Times is a member of GMA! I have attended several events in the past few weeks, and not only were they a lot of fun, but also great for business. I met several great contacts that have already turned into business. Thanks, GMA, for the opportunities you offer us as a member. The value is amazing!"

"I have made so many connections through GMA, that it's difficult to mention just one! My business has grown significantly over the past several years, and I owe a lot of that to the connections I've made through GMA."

"When I started my company one of the first things I did was become a member of the GMA. I knew in order to be successful and have a good time along the way, I had to surround myself with supporting, smart people. My GMA has never let me down; neither has my High Point Chamber. They are both very good at what they do, not only for the Triad, but for our great state of North Carolina.

As a career-long human resources professional, I've never had to go out and find new customers until I started my own business. Needless to say, cold-calling is not my forte. Thank goodness I haven't had to cold-call in over two years! Our participation in various events offered by GMA has helped us build our business through relationships and referrals. This has been our best year ever! PARTICIPATION HAS ABSOLUTELY PAID DIVIDENDS!
